## Create your social media posts and/or email and visual assets.

Create at least 3 social media posts, draft one email, and create a YouTube thumbnail, and one visual for either your email or social media post.

Spend some time this week doing some basic content optimization - basically making your video more friendly to the platforms of your choice - and crafting your communications language. Here are the social media graphics dimensions:

### Social Media Graphics Dimensions (circa 2019)

- YouTube Thumbnail: 1280 x 720 pixels (px)
- Facebook Post: 940 x 788 px
- Facebook Story: 1080 x 1920 px
- Instagram Post: 1080 x 1080 px
- Instagram Story: 1080 x 1920 px
- Twitter Post: 1024 x 512 px

At DeveloPlay, I like to give all my clients a "send off" kit of visual assets, a how-to for uploading videos to YouTube, and some recommendations for email and social media language about their videos. Check out the link below for these guides and tips!
